

The spokesperson will be a board certified gastroenterologist who has completed a hepatology fellowship.

**Radio Script**

Spokesperson:

Hi, I'm Dr. \_\_\_\_\_.

I'm a board certified liver specialist and I have an important, potentially lifesaving message for you about getting tested for hepatitis C.

If you were born between 1945 and 1965, or if someone you love was born between 1945 and 1965...

*Please... call **1-800-GET-TESTED**® and listen to the message.*

If you're driving now, don't call now.  
But as soon as you can **safely** do so...

Pick up your phone, call **1-800-GET-TESTED**® and *listen*.
