

Radio script

Are you **SEXUALLY ACTIVE**?

Have you been tested for STIs?

STIs are sexually transmitted infections, and according to the Centers for Disease Control...

If you are sexually active, one of the most important things you can do to protect your health is to **GET TESTED** for sexually transmitted infections.

Please call **1-800-GET-TESTED®** and listen to the recorded message.

If you're driving now, don't call now.

But as soon as you can **safely** do so...

Pick up your phone, call **1-800-GET-TESTED®** and listen.
